Response to Final Office Action

Dear Sir:

In response to the Final Office Action mailed July 16, 2007 (FR), the following remarks are made in regard to objection to the specification and the rejection of claim 1 under 35 U.S.C. § 112, written description, and § 112, second paragraph. After these issues are resolved, the prior art and double patenting rejections can be addressed when the examiner determines that the claim language is definite.

Amendments to the specification begin on page 2
